THE 20-20 PLAN

1. RECRUIT 20 PERSONS ON THE LEFT AND RIGHT

2. OUT OF THE 20 PERSONS;

- 6 - 8 PERSONS WILL QUIT THE BUSINESS
- 6 - 8 PERSONS WILL INCUBATE (LOVE ON THEM)
- 6 - 8 PERSONS WILL BUILD IT BIG (B. I . B)
- 1 - 2 PERSONS WILL BECOME DIAMONDS

5 STEPS TO SUCCESS

1. YOUR WHY "What motivates you?"

Submit 5 reasons 'why' you are doing the business to your sponsor and upline leader. These 5 reasons WHY, will be used as points of reference when going through your tough times which will help you to remember why you started the business. Reading over these whys will help you to overcome the obstacles that will come with building your empire within NVISIONU.

2. BECOME A PRODUCT OF THE PRODUCT

Next, go to www.nvisionu.com to get connected to your digital products and our amazing health products. Here at NVISIONU, we are all about our business partners becoming a product of the product. This gets you excited and enthusiastic to share the products and services with others. Be empowered, energized and equipped with your products.

3. BUILD YOUR LIST "Who do you know?"

As a Visionary Builder (VB), your next step is to build a list of 100 potential customers and business partners. On the website office.nvisionu.com, under the VBB Academy, we have put together a powerful video on the "Art of Launching your Network" which can help show you how to explode your warm market list. We have put together a first class onboarding system for all Vision Builders so that you can become one of the very best in this industry of network marketing. We highly recommend that you take the time to go through all the steps we have laid out for you.

4. BOOK 4 VISION PARTY MEETINGS

Next it's action time! Book 4 Meetings. These 4 meetings are designed to help possibly get you dual-team qualified. If you want to generate some income, the least expected of you is committing to 4 group presentations per week. Our goal is to develop as many part-time business owners that can do four presentations per week.

5. MAKE AN 18-MONTH COMMITMENT

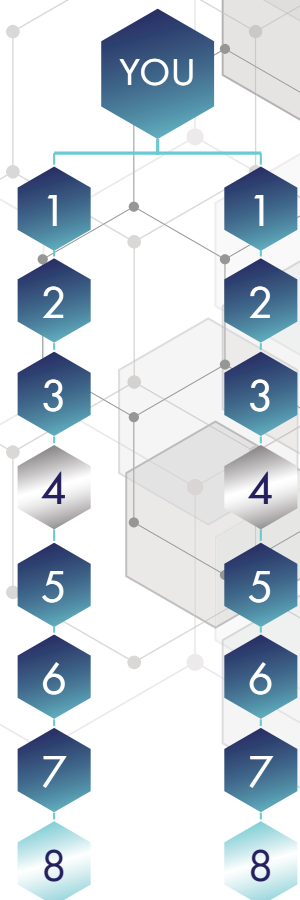

We want you to understand that you must give yourself time to succeed. This is not a sprint it is a marathon. Don't compare yourself to anyone else, but through consistency, persistency, and following the blueprint that is before you, with time, all things are possible.
